## Alma Mater

*In a rose-tinted valley encircled by hills,  
Resting deep in a land that is blest,  
Where the warm golden sunlight brings concord and peace  
Lies the school that our hearts all love best.*

*And amidst those green hills in that valley of gold,  
Shall our praises to her ever rise.  
'Til the mountains and hill-sides her honors set forth  
And re-echo her name to the skies.*

### CHORUS

*Then hurrah for our colors, our flag, and our school,  
Hurrah for our classmates so dear,  
Hurrah for our teachers so kind and so true,  
For the Board of Trustees give a cheer.*

## **To The Class of 1950**

Dear Seniors:

No doubt your feelings are rather mixed when you consider that within a very short time you will have completed your high school course of study. Things which seemed all important a few months ago fade into insignificance in the light of new problems. Take courage from the fact that you have had the perseverance and ability to conquer this first big step in training for a productive place in society. Remember that willingness to work, the application of all your abilities to the task at hand, special effort to make yourself personally acceptable to your fellow workers, can bring the satisfaction which comes from a job well done and success in the field of your choice. We will follow your future activities with a great deal of interest, rejoice with you in your successes and take a great deal of pride in your growth in citizenship.

## Class Poem

*The time has come when we must part;  
From the school we love so dear;  
With saddened hearts we bid farewell;  
No more to hear the ringing bell;  
Or silent whispers the commencement held.*

*Into the world we all must go;  
Into a world torn by strife;  
We say good-bye and go our way;  
No more to meet til judgment day:  
Oh! So short and sad is life.*

*And so we part, lest our hearts remain;  
With the school that was the best;  
"Dear Waynesville High", you are the one;  
The proudest school beneath the sun;  
You shadow all the rest.*

—Anna Kay Head

Scene—Studio B of Station WHS, New York, N. Y.

Time—1960, also time to go on the air.

Characters—Two slightly tired news announcers.

The following program was electrically transcribed at Station WHS, New York, N. Y. Eastern Standard Time, 7:30.

Good evening everyone. This is your Quacko reporter brought to you by Quacko, oddly enough, with 5 minutes of the latest news gathered from the wires of the press. Hang the commercial, on with the news.

Chicago, Ill.—George Garrett has announced the opening of his fashionable night club, Garrett's Guzzel Grill. In a press interview he told reporter John Ezell, of the Chicago Tribune, that he would serve only members of the Chicago Bears professional football team. The co-captains of the team, Charles Womack and Bob Davis, and manager, Jim Brendle, said the team would lunch there tomorrow. Mr. Garrett is featuring George's Gorgeous Girls. The star of his floor show is Miss Vivian Watkins with her famous bubble (plastic) dance. Mr. Garrett also disclosed the news that he has employed Buck Atkinson as manager of this night club. Mr. Atkinson has already gained world wide renown as manager of the Exclusive Handy Soda Shop of New York. Furnishing the music at Mr. Garrett's Grill will be Deryl Davis and his hot trombone.

Miami, Florida—Diamond millionaire, Sammy Jones, resting here this week-end at Hundley Haven (June Hundley, proprietress) is said to have his eyes on a local high school girl. Accompanied by "his boys", Gene Liner and G. L. "Jiggs" Kinsland, Diamond Sammy told a local newsman, "I always did like them younger."

Washington, D. C.—President Jimmy Whitman's private secretary, Margie Woody, today announced that Alice Burgin Enloe has been chosen to receive the presidential citation as "National Mother of the Year". The nation salutes you Mrs. Enloe! Mr. Enloe is now the owner of a chain of large garages which are located in every principal city of the United States.

Los Angeles, California—Richard Smith, owner of the "Airtight Airlines", has just received a congressional medal for his excellent safety record. Mr. Smith gave most of the credit to his ace pilots William Lovedahl and Richard Parham and his three efficient stewardesses, Virginia Hosaflock, Lois Carver and Genevieve Jaynes.

## CLASS PROPHECY

St. Louis, Missouri—The greatest jackpot ever to be offered on a quiz program has been won by Guy Poteat. Master of ceremonies, James McJunkin, presented Mr. Poteat the prize of \$9,999,999.99 after Guy's untimely answer had shocked the world with its accuracy. When asked to make a statement about his good fortune, Mr. Poteat said, "If I had taken Mrs. Stamey's advice in physics and kept my mouth shut I would never have been famous."

Atlantic City, New Jersey—Five recent Mrs. Americas arrived here today to witness the selection of the Mrs. America of 1960. Those present were Sue Howell, Mary Brendle McClure, Kathryn Moody Allison, Susie Head Norman and Betty Robinson Snyder. They were the Mrs. Americas of the following years: 1955, '56, '57, '58 and '59 respectively.

Harlem, N. Y.—Missionaries Edna Callahan, Coretta Henson, Aileen Fullbright and Esther Davis today started a campaign to clean up the slum conditions in Harlem. These courageous young women are noted for their enthusiastic work in the field of social welfare.

Baltimore, Maryland — Superintendents of Nurses, Betty Hale and Betty Brown, of Johns-Hopkins were separated by two interns early this morning in a fight in the operating room here over Chief Surgeon, Jimmy Galloway. Miss Hale was slightly injured in the fray and Bob Davis of Chicago was immediately notified.

Oak Ridge, Tenn.—Scientist Homer Snyder, Jr., is under special investigation by the Federal Bureau of Investigation for selling the new improved atomicized anti-freeze to Northern Siberia. Donald "very well" Whisenhunt who recently replaced J. Edgar Hoover as Director of the F.B.I. and Chief Assistant, Alden McCracken, have flown to Northern Siberia to investigate.

Oshkosh, Wisconsin—Luther Shaw, famous livestock breeder, after much research has developed a tail-less cow. Assisting Shaw in this experiment were James McClure, Director of Agricultural Research at the University of Wisconsin, Fred Buff, Veterinarian and Ken Caldwell, reporter for the agriculture magazine "The Progressive Western Country Gentlemen". Miss Mary Osborne kept all records of this experiment and plans to publish them in a book, in which she will explain Mr. Shaw's theory of the advantages of tail-less cow.

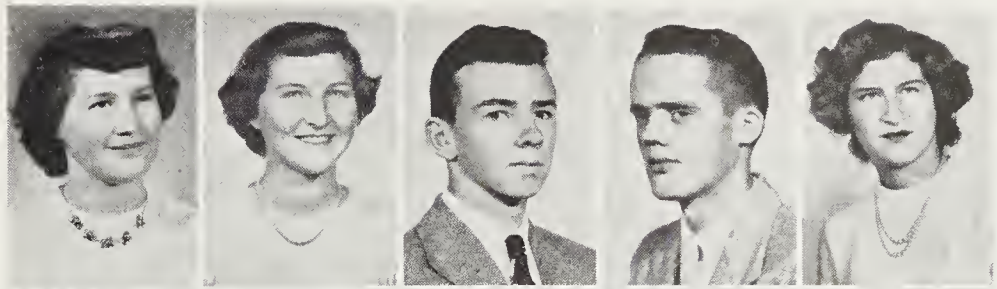

New York, N. Y.—Lovely model Kathryn Hyatt, who got her start way back in '49 as a model of the month at Burgin's Department Store, Waynesville, N. C., has just signed a contract with Mr. Donny Leatherwood, owner of the world's largest modeling agency. Mr. Leatherwood said, "Kathryn will model only clothes designed by Madameiselles Joan Morris and Hazel Palmer. These two young ladies are returning soon from Paris where they are presenting a pre-

## BAND

After three years of "growing pains," the Waynesville Township High School Concert Band has won for itself the reputation of being one of the states finest and certainly the finest in Western North Carolina. They entered in the District contest against Asheville. They defeated Asheville as they had the year before and proceeded to Greensboro for the state contest. Here they received an "excellent" rating.

Mr. Robert Campbell joined the staff at WTHS in the capacity of Assistant Band Director this year. He and Charles Isley, Head of the Music Department, are both graduates of Davidson College.

## THE SQUAD

Waynesville High produced another team of champions for the season of '49 and '50. Our team first fought to a 6-6 tie with Sylva. Next, as is customary, they rolled over poor little Tryon with a score of 33-6. The annual struggle with Elizabethton prophiced that Waynesville was going to have another successful season. The score was 7-0 in favor of the Mountaineers.

The following Friday we met with our "FRIENDLY" rivals over at Canton. As usual

we won. At the end of the massacre the score was 6-0. Then came an unending stream of victories: Hendersonville 12, WTHS 28; Christ School 0, WTHS 28; Bryson City 6, WTHS 20; Asheville School 0, WTHS 20; Marion 6, WTHS 19.

Then at long last came the official end of the season and the Turkey Day game with Canton. Naturally we won that one too. The Mountaineers 24, The Black Bears 7.

This is what gave us 24 points at the Thanksgiving game with Canton.

Monroe was big but it couldn't get by.

Here's the lineup that helped the Mountaineers win so often.

## The 1949 Paper Bowl Game

Waynesville sent thirty three of the finest football players in Western North Carolina to Canton to participate in the Second Annual Paper Bowl Game. After playing and defeating Marion last year, they were again invited to play and

faced one of the top notch teams in the state, Monroe. Monroe came out on top after four hard fought quarters 13-0. The annual staff and the school sincerely hope that The Mountaineers will be invited for the **third** time in '50.

We've got the ball again.

Don picks up yardage down near the goal line.

# BOYS' BASKETBALL

WTHS is indeed proud of the accomplishments of its Boys Basketball Team. And it should be, for they have carried the name of our school into many other schools and have shown that the boys from Waynesville are trained not only in athletics but in real sportsmanship.

This years team early showed promise of being another Blue Ridge Conference Championship team. With September came staff elections, organization . . . then we **tried** to sell ads . . . No one ever knowing where anyone else was . . . swiping the Local Yokel's typing paper. We always got by with it! . . . All those pictures taken at the football games that never were in focus. The flash bulbs that wouldn't go off . . . Disturbing the teachers to check names, then misspelling them! . . . We had a system the last couple of weeks before deadline. We skipped 1, 2, 3, periods on Monday, Wednesday, Friday, 4, 5, 6, periods on Tuesday and Thursday . . . Has anyone seen the green pencil? . . . It cost us more to go to Asheville than we collected . . . We just made the deadline by the skin of our teeth . . . Should we bleed the pages . . . Every one said Junk was too tight . . . That picture we took of Coach in the office . . . People always took work home and forgot to bring it back on time . . . Someone finally fixed Mrs. Edwards typewriter . . . Smile pretty for the birdie Miss Phoenix . . . Mr. Bowles wants to use this typewriter.

And that's the way it happened. Handle The Mountaineer with care — look at all the pictures, read all the text, for we, the staff of '50 have truly lived and learned with it.

# Class Prophecy

(Continued from Page 28)

vue of their fall fashions . . . Again New York—Betty Lee Gibson and Johnny Patterson were named today for leading roles in a new Broadway production by Producer Jimmy Hooper. Miss Gibson and Mr. Patterson, the idols of American theatre fans, have not commented on their being selected for the roles . . . Late Bulletin from New York—Miss Kathleen Calhoun of the world famous Calhoun-Murray studios has given the world a new dance step, "The Hoe-Handle Hop". This original and unusual step is sweeping the nation. Kathleen has refused to give the press any statement in regard to the success of the step. Charles Cook has designed and is going to manufacture a special shoe for the dance.

Long Island, N. Y.—President of the United Nations, Grady Hannah, called a meeting early today of the top leaders of the United States Armed Services. General Roy Phillips of the Army, General Harry Crocker, of the Marines and Admiral Joe Scates of the Navy attended this meeting. Official secretaries of the U. N., Frances Hendrix, Mary D. Howell, and Velma Stamey recorded the events of this meeting and will give the press a report of the results.

Chapel Hill, N. C.—Coach Bobby Owen sent his Tarheel football team through an extensive drill today in preparation for the impending game with Notre Dame, to be played at the University of North Carolina. Since Owen took over the coaching job, Carolina has beaten Notre Dame four straight years. Professional acrobat, Bud Buchanan, is at Chapel Hill instructing the cheerleaders in preparation for the game.

London, England—The first girls' professional basketball team ever to enter the Olympics arrived here today. The stars of the team, Nancy Medford, Betty Sheehan, and Mary Jo Grasty, were given a warm and hearty welcome as they stepped on the shore of "dear old England". The manager of this famous team, Hazel Hollinsworth, was presented with an elaborate bouquet of flowers by Princess Margaret Rose.

Charlotte, N. C.—Today marks the first day of the trial of Gene "Yardie" Yarborough. Yarborough has pleaded innocent to the charge of kidnapping Mildred Medford, noted editor of that well known magazine "The Homely Ladies Journal". Yardie is the only suspect. He was overheard threatening Miss Medford because she used his nationally famous cartoons, which are now compiled into a book, in her magazine. The Judge, Honest John Terrell, had trouble quieting the boisterous mob that crowded into the courtroom. In spite of the fact that the sates' attorney, Howard "Lard" Mehaffey, has said that it is an airtight case, Mr. Yarborough's lawyer, Frank James, is believed to have suffic-

ient evidence to clear his client . . . Flash! We have just received a last minute bulletin from Chicago. Miss Medford has been found. She has been suffering from amnesia and was discovered and identified by an old friend, Deryl Davis.

Tampa, Florida—In the national golf tourney which has become a very close contest, Howard Mehaffey, Louie Mills, and Clifford Green are leading. The winner of this tourney will be presented a solid gold loving cup by the nationally famous Toni Twins, Joyce and Loyce Rogers. If the winner can guess which one has the Toni, he will also receive a 1960 Cadillac convertible.

New Orleans, La.—Petite Patsy Green will do another poster for the Harold Mills Outdoor Advertising Agency. This billboard is slated to be the largest ever to be constructed. Homer Reece, Farrell Sutton, and Ralph Grasty, expert carpenters, have been given the contract.

Waynesville, N. C.—Superintendent of County Schools, John Medford, has approved the appointment of Frances Hoyle as principal of Waynesville High School. Several new additions have been made to the faculty. They are: Nancy Stamey, Senior English, Susie Stamey, Bible, Donald Corwin, Industrial Arts, Garland Saunders, Agriculture, Libby Patton, Librarian, and Edward Palmer, Physics . . . Again Waynesville . . . Newly elected Sheriff Carl Presnell, Justice of the Peace, Fred Carswell, and Jailor, Troy Messor, have lived up to their campaign slogan "We'll take law and order into our own hands", and have succeeded in tracking down a gang of moonshiners who have been operating in them 'thar hills for many years.

Hollywood, California—In this years selection of the perfect features of the American girl, Miss Phyllis Noland was chosen for the most beautiful eyes, Miss Pearl Gaddy for the loveliest hair and Miss Phyllis Morrow for the most pleasing and delightful smile. Congratulations, girls.

Waynesville, N. C.—The Southern Bell Telephone Co. has just completed installing the new dial system in the final city of North Carolina, superintendent of operators Phyllis Smathers announced today. Miss Helen Mills and Miss Dixie Mehaffey have been made district operators.

Boston, Mass.—Owner of the chain of Baldwin 5 and 10 cent stores, Cumi Baldwin, who recently fired the manager of her largest store located in Boston, told newsmen today that she had hired three efficient young ladies in his place. They are Miss Charlene Atkins, Miss Pauline Smith and Miss Jo Anne Scates.

This has been five minutes of the latest news brought to you by Quacko. Elaine Francis and Nancy Floyd reporting.
